

# Bethel *Life* Small Group Meeting Guidelines

As Mercer County has been cleared to enter the “Yellow Phase” of aggressive mitigation in response to COVID-19, small groups may resume meeting.

This guideline outlines the CDC recommendations for small gatherings to continue to slow the spread of Coronavirus.

We as a church have purposed to honor our government leaders as the Bible instructs, and ask that all small groups that wish to resume in-person meetings to follow these guidelines.

**No groups larger than 25 people**

**Wear a face covering**

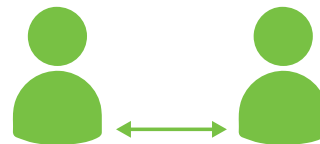

**Wash or sanitize your hands often**

**Stay home if you are sick**

**Don't touch your face**

**Maintain social distance of 6 ft**

**Implement proper sanitation**

Be sure to wipe down frequently touched surfaces with either hot, soapy water or sanitizing cleaner

- TABLES
